

## M2ARCHITECTURE

---

### David N Menzies

BA Env. Design (1976, TCAE)  
Grad Dip. Arch (1979, TCAE)  
Registered Architect in Tasmania  
ARAIA

### Director

### BIOGRAPHICAL DETAIL

Educated in NSW and Tasmania, David has worked in small and mid sized private practices in Tasmania for most of his career, but also for the Northern Territory Government for a short period.

After working as a director of a larger practice in Hobart for a number of years, he formed his own firm in 1992, incorporated in 1997, and continues as a director of M2architecture today.

David has over 30 years of experience on residential, commercial and educational buildings from small to large scale, with roles in both architectural and interior design.

Associate member of the Royal Australian Institute of Architects.
